Schedule of papers presented in the course
“Topics in Labor Economics”

Rules: Participants have to present (~ 30 minutes) and discuss critically one of the following papers in the course and to write a critical referee report on the chosen paper. Both together counts for 25% of the final grade in the course. The referee report has to be turned in on the day of the presentation.

The presentations will take place on:
28 January 2010: 12:00-16:00 HS 3118, 16:00-18:00 HS 3044
