Papers to be presented in the seminar
“Topics in Labor Economics”

Rules: Participants have to present (~ 25 minutes) and discuss critically one of the following research papers or policy reports in the seminar and to write a critical referee report on the chosen paper. Both together counts for 25% of the final grade in the seminar. The referee report has to be turned in on the day of the presentation.

The presentations will take place on:

1. Wednesday 29 January 2013: 14:00-18:00h, room 2330 KG II
2. Thursday 30 January 2013: 10:00-14:00h, room 2330 KG II

Research Papers

Policy Reports

1. OECD employment outlook (2013a). All in it together? The experience of different labour market groups following the crisis. Chapter 1, pp. 19-63.

For OECD employment outlook, see http://www.oecd.org/els/emp/oecdemploymentoutlook.htm.
